Dear Sir:

Attached is a copy of a November 3, 2003 response to the Restriction Requirement issued on October 3, 2003, in the above-identified application. It has come to our attention, as can be seen from the attached copy, that the response was inadvertently mailed, by Express Mail, to a former and now incorrect USPTO address. Also attached is a copy of the postcard and the Express Mail mailing receipt.

PATENT  
910000-2001

While it is our understanding that the original response will ultimately reach your offices, we are faxing this additional copy for your convenience and to further prosecution without further delay. Accordingly, in view of the foregoing an early action on the merits is earnestly solicited.

If the Examiner is of the view that any issue remains regarding the response to the Restriction Requirement, an interview with the Examiner is respectfully requested, and, the Examiner is respectfully requested to contact the undersigned.

Respectfully submitted,  
FROMMER LAWRENCE & HAUG LLP
